

**Flint Water Crisis Volunteer Opportunity  
Saturday, April 30, 2016  
10:00 a.m. - 1:00 p.m.**

MCACHE and GLACHE are proud to announce a volunteer opportunity for our members to help support the ongoing water crisis that continues to affect the Flint Community. We invite you to join us at one of the United Way of Genesee County's Water Distribution sites at Salem Lutheran Church in Flint on Saturday, April 30, 2016 from 10:00 a.m. - 1:00 p.m. We will be assisting the United Way with water and supply distribution for those in the Flint community that continues to be impacted by a lack of safe drinking water in their homes.

For those attending please wear sturdy closed toed shoes and dress in appropriate attire for both the weather (in case we are outside) and to conduct the volunteer activity. This job may require heavy lifting and being on your feet for most of the event. MCACHE will provide healthy snacks; however, we encourage attendees to bring their own water as there may not be safe drinking water on site. MCACHE will also be providing MCACHE t-shirts to all participants. Please remember to include your t-shirt size on the registration form.

Space for this volunteer opportunity is limited so please **RSVP no later than Monday, April 25th**. Please note that once you RSVP with MCACHE you will be asked to register with the United Way. **After signing up with MCACHE a member of the Emerging Leaders Community Engagement Team will email attendees with instructions on how to register with the United Way.** Only those who complete both registrations will be given directions and other important information about the event.

For those who would like to make a financial contribution to help with the Flint Water Crisis, MCACHE and GLACHE will be matching all donations made by their chapter members through Saturday, April 30, 2016 to the Flint Child Health Development

Fund. We encourage our members to visit [www.flintkids.org](http://www.flintkids.org) to make a secure donation online. Please indicate that you are from either MCACHE or GLACHE in the "How Did You Learn about the fund" tab so both chapters can properly keep track of the generosity of their members (and to ensure that their generosity is properly matched)!

Depending on where attendees are coming from, we may organize some carpools from select locations. Carpool options will be communicated separately in the direction/informational emails from the MCACHE Emerging Leaders Community Engagement Team. Please feel free to contact Illana Hearshen at [illanah293@gmail.com](mailto:illanah293@gmail.com) with any additional questions or concerns.
