

Practical Leadership Strategies in an Age of Change ***12 ACHE Face-to-Face Credits***

MCACHE's and GLACHE's sponsorship of this program allows us to offer you this \$1,475 seminar for the reduced registration fee of \$650*

The same highly acclaimed program is offered at select ACHE Cluster Events

PROGRAM DESCRIPTION:

In a transformative healthcare environment, leaders need practical tools for managing change and encouraging staff to adopt new ways of delivering care and service. This program will provide strategies for leading a changing workforce and encouraging innovation that supports enhanced quality and outcomes. Expert faculty will share tips for developing a dynamic organizational structure and communicating in ways that establish trust and buy-in and inspire action. These proven approaches minimize resistance and optimize success.

Attendees will learn to:

- Develop detailed strategies and tactics to improve communication.
- Identify practical approaches for avoiding management derailment.
- Gain suggestions on using transformational leadership to enhance quality and outcomes.
- Examine the contemporary workforce and workplace factors that make change difficult to manage.

PRESENTED BY:

Carson F. Dye, FACHE, partner with Witt/Kieffer, will provide attendees with practical ideas to deal with contemporary issues in healthcare management and develop an energized staff.
